**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer, and I use Sonic and support broadband competition. Access to this service is essential to me as it is a better service at a better price. I use it for personal use and to work from home so it also makes me more productive. Do not take it away. Im counting on you to fight the attempts at oligarchy by the large corporations.
